The Godwin Drama Boosters Organization

For more than 25 years, Godwin Theater has provided an enriching experience for our students as well as outstanding performances for our community to enjoy! Much of the drama supplies, costumes, sets, lights, guest artist fees, and other special components of this program are supported through the Short Pump Players Angels, the Godwin Drama Boosters.

Please help our students and community continue to enjoy the exceptional quality of Godwin Theater by becoming an “Angel” today!
